Solar Viewing

Scopes designed to view the sun will be available (sun spots, prominences, granulation etc.)

Telescopes!

Bring your own telescope for pointers on its use. RASC Members will be available to assist.

Public Observing Sessions

Telescopes will be available for viewing the planets and deep sky objects. Or bring your own telescope!

COVID Protocol

Physical distancing encouraged.

Some viewing will be using TV/Monitor

WELCOME!

Please join the RASC as we “focus in” on the Wonders of the Night Sky. You can observe with unaided eye, binoculars and telescopes.

See spectacular views of the Moon, planets, nebula, star clusters, galaxies & comets.

* Solar/public viewings are weather dependent (ie. clear sky)

NOTE: Please be mindful of your pets & bicycles near display telescopes.
